CAREER SUMMARY

"A dedicated mechanical design engineer with two years of practical production experience. My chosen field of knowledge is utilizing SolidWorks and Siemens NX to create intricate mold designs and precise machine components. adept at solving complex technical problems via cooperative cooperation and efficient project management. My objective is to promote technical quality and innovation while assisting in the organization's long-term expansion.

WORK EXPERIENCE

Alca Industries Limited (Meghna Group)

January 1, 2025 to Continue

3D Designer (R&D Department)

- Spearhead the design and development of dies, molds, and production-related machine parts for new projects using SolidWorks, ensuring designs meet engineering standards and production feasibility.
- Collaborate with the production and quality assurance teams to troubleshoot design flaws, implement modifications, and optimize designs for cost reduction and improved manufacturability.
- Create detailed 2D technical drawings and 3D renderings for prototyping and mass production, reducing design-to-production time by ensuring clarity and precision.
- Conduct research on new materials and molding techniques to enhance product durability and mold lifespan.
- Maintain comprehensive documentation of design iterations, specifications, and project progress for future reference and team alignment.

Olympic Industries Limited

June 1, 2023 to December, 2024

3D Designer (Machine Parts)

- Developed precise 3D models of industrial machine parts and components to support the maintenance and engineering departments, reducing downtime by ensuring quick and accurate part replacements.
- Interpreted rough sketches, specifications, and verbal instructions to create detailed SolidWorks models and assemblies.
- Assisted in creating a digital library of standard machine parts for future reference and reuse, improving departmental efficiency.

EDUCATION

Diploma in Engineering

2023

Subject: Mechanical Technology

Institution: Rangpur Polytechnic Institute

CGPA: 3.85 out of 4.00

Secondary School Certificate (SSC)

2019

Group: Science

School: Telai High School, Bhurungamari, Kurigram

CGPA: 4.50 out of 5.00

TRAINING & CERTIFICATE

- **Solidworks, Siemens NX** : Completed a 6-Months Solidworks, Siemens NX course at Cad Cam Solution BD, located at 895/896 Meghna Tower, Sonir Akhra, Jatrabari, Dhaka.
- **Spoken English**: Completed a 3-month course at English School BD in 2024.
- **Microsoft Office, Graphic Design**: Completed a 6-month course at Zilla Parisod Computer Alor Pathe, Rangpur, in 2022.
- **Welding (1G, 2G, 3G, 4G, TIG, MIG)**: Completed a 4-month welding course at EIT-Rangpur (SEIP) in 2022.

EXTRACURRICULAR ACTIVITIES

- Orchestrated and designed inter-university competition programs, fostering engagement and collaboration across campuses.
- Proactively engaged in raising environmental awareness through workshops and seminars.
- Served as the Class Representative (CR) for Secondary classes, facilitating communication and representing student interests.
- Demonstrated leadership as the Captain of the college cricket team, fostering teamwork and sportsmanship.

SOFTWARE SKILLS

- SolidWorks.
- AutoCAD.
- Siemens NX.
- MS Office (Word, Excel, Power Point)

CORE SKILLS

- | | |
|---|----------------------------|
| • Leadership | • Project Management |
| • Communication | • Team Collaboration |
| • Problem-solving | • Innovation |
| • Decision-making | • Attention to Detail |
| • Time Management | • Adaptability |
| • Conflict Resolution | • Analytical Thinking |
| • Technical Expertise in Mechanical Engineering | • Creative Problem-solving |

LINGUISTIC SKILLS

- Fluent in Bangla & and English
- Understanding Knowlege in German

PERSONAL INFORMATION

- Father's Name : Md. Kamruzzaman
- Mother's Name : Mst. Nurzahan Begum
- Nid No: 8715618529
- Date Of Birth : 19 Dec, 2003
- Marital Status : Unmarried
- Permanent Address : Bhurungamari, Kurigram
